

Audio, Tactile, Visual, Vestibular (ATVV) Intervention Webinar

Criteria for successful completion:

Each course description will specify what is required for successful completion. For any online activities, you will complete a pre-test, participate in all engagement questions in the course, complete a course evaluation, complete an assessment, and must obtain at least a 75% pass rate on the assessment, unless otherwise specified in the course description. Additional requirements for completion may be posted on the course page. Certificates of completion are emailed to those fulfilling course requirements.

Conflict of interest:

None of the speakers/planners for this conference report any conflicts of interest.

Provider Statement:

The Shirley Ryan AbilityLab is an approved provider of continuing nursing education by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91) (OH-362, 9/01/2020).
